

LO Websites

Our development team can quickly add merge fields to your existing websites to automate website management. LO websites are merged directly from the HR section of Unifyty. In this way, changes to the employee's bio, testimonials, picture, licensing or contact info automatically update their website. Upon deletion of an LO website, all content is cleared from the server leaving no residual data.

Branch and License Self Maintenance

Branch and state license details automatically update the Map, Locations and Licenses lists on all websites.

The screenshot shows a website header with navigation links: Home, OUR COMPANY, LOAN PROGRAMS, APPLY NOW, GET YOUR CREDIT, RESOURCES, CONTACT US. Below the header is a map of the United States. States are color-coded: green for 'Locations' and orange for 'Licensed'. Licensed states include California, Nevada, Arizona, Texas, and Illinois. A legend at the bottom left identifies the colors. At the bottom right, there are links for COMPANY (Our Story, Contact Us), BORROWERS (Find an Office, Resources, Calculators), and LEGAL (Privacy Policy, Security Statement, Licensing Site Map).

The screenshot shows a website header with navigation links: Home, OUR C, LOAN PROGRAMS, APPLY NOW, GET YOUR CREDIT, RESOURCES, CONTACT US. Below the header is a section titled 'License Information'. It lists states with their respective regulatory bodies: Arizona (Licensed by the Department of Business Oversight under the Finance Lenders Law), California-DBO (Licensed by the Department of Business Oversight under the Finance Lenders Law), California-BRE (Regulated by the Bureau of Real Estate), Colorado (Regulated by the Division of Real Estate), and Illinois (Residential Mortgage Lender). There are also sections for Corporate Office - Complaints / Inquiries, Arizona - Scottsdale, California - Irvine, Kansas, and Missouri, each with a blue placeholder box.
